

EMBRYO STORAGE HEADACHES?

**Choose one of these
and call us in the morning.**

Now with professional embryo storage facilities in Florida and Minnesota, relief from embryo storage headaches is easy to come by. With one call you can arrange to have your clients' embryos safely shipped to our secured facilities for ongoing storage. We pride ourselves in operating safe and

secure long-term storage centers that fully comply with government and industry standards for the use and disposition of stored as well as donated embryos. All you have to do is call. We'll take care of your storage headaches so you can get back to doing what you do best.
